Cancellation of Midtjysk Julecup 2021

It is with great regret that the Event Management hereby cancels Midtjysk Julecup 2021.

Midtjysk Julecup should have started for the 48th time on 27/12, and ended with a great final day on 30/12. Unfortunately, we must acknowledge that the development of the corona situation in Denmark creates so much uncertainty that we have decided not to complete Midtjysk Julecup 2021.

Several of the Handball tournaments below are already experiencing growing concern among the volunteers, participating clubs and our many partners. Among other things, we anticipate therefore a lot of cancellations - both in the upcoming days - and close to the start date - due to the many gatherings at Christmas.

The uncertainty, compared with the current restrictions, is the background for this decision and with this we also support the efforts made to minimize the spread of new COVID19 variants. We especially focus on the infection chains: Children-parents-grandparents, just as the focus is also on the "daily tournament" to run after the New Year

In addition, in relation to recommendations and restrictions, there are significant practical challenges when 2000 people gather indoor - and in large groups. The uncertainty associated with further restrictions or the significance of the newly discovered Omikron COVID-19 variant, of course, also plays into our decision.

We therefore choose to cancel now - rather than later, so you all have the chance to make new plans for the Christmas days. In addition, all Christmas handball competitions anticipate major financial challenges in relation to suppliers and partners in the event of a later cancellation than now.

This decision was taken by agreement between the following Handball Christmas tournaments:

- Midtjysk Julecup 2021 v. Bording KFUM Håndbold
- Bjerringbro Julecup 2021 v. Bjerringbro FH
- Skjern Bank Julecup Cup 2021 v. Skjern Håndbold
- Thy Cup 2021 v. Thisted IK

We apologize to those affected, and hope to see everyone again in 2022 for Midtjysk Julecup 2022!

All clubs will be refunded the registration and participation fee within 10 days. If there are questions about this, these can be directed to tilmelding@julecup.dk.

We officially break the sad news on our website and Facebook later this evening and are also happy to be available for questions by either phone or email.
